<https://www.visitvejle.dk/vejle> (Closer to the venue)

<https://www.visithorsens.dk/horsens/forside> (Closer to the venue)

Mostly for people not doing karate or staying longer though...

### **VARIOUS INFO:**

Voltage: 220V AC, 60Hz – Central European plug type-K (like the Germans use... and Swedes...and Norwegians... and – well, almost all EU countries use). So, remember a **converter** plug if you come from **UK, US or Japan**

Currency: Danish Kroner (DKK). All major Credit Cards are accepted in most stores, taxi's etc – but it seems that more and more requires the CHIP versions (or wireless) – so if you want to be sure – have such

Language: Danish – or let's call it Denglish ... as we inherit so many words from English the language is somehow floating...

Climate: Out of control. Can be warm and nice in July e.g. 20-25°C (2018, 2019, 2020) – or cold/windy and raining e.g. 15°C-20°C (2017). Prepare for the worst – and it will be good

Border control: Remember your valid passports – please

Health: Nearest hospital and emergency room is ~30mins from the camp. We do not plan to use it – but just in case

COVID-19: Please observe the basic COVID-19 instructions as per Danish rules (what will be applicable in July 2022 is not known yet)

### **CAMP AREA (New in 2022):**

The 2022 camp is moved to another boarding school (Danish 1-year type) vs. the one we used the previous years – this time with **a lot** of **extra** sports facilities at hand. Unfortunately we lost at the same time the close access to the ocean – but we hope that the many extra facilities of this venue will compensate this somehow.

Above: some "memories" from the HDKI Denmark Summer Camp 2017 and 2018.
